

# Lost Pet

**Kanjii**

**Breed:** Unknown

**Gender:** Male

**Age:**

**Reward:** yes

**Location:** Asheville, Shope Creek Rd.

**Description:** Medium sized neutered male, short hair. White with brown patches on back and face. His ears have been cropped. He had fleas and nails were recently trimmed. He was not actually mine, but a recent(?) stray. He got away from me at the Shope Creek National Forest area. He is a sweet guy but very timid. He was wearing a black 1/2 choke collar, no tags.
