

# Lost Pet

**abby**

**Breed:** Mixed Breed

**Gender:** Female

**Age:** Teenager

**Reward:** yes

**Location:** mount airy, 114 hawaii ln north carolina

**Description:** Her name is Abby she is a year old. She has been spayed and has a pink harness on her that goes around her chest. She looks like a giant poodle but is a mixed breed dog. She is partly shaven with most fur on head and tail and is about 100-120 lbs she is very shy and nervous and has never bitten anyone. Never heard her bark as well. She loves other dogs but is afraid of people.
