LOST COLLIE; 11 year old Collie named Little Guy lost on Baxter Rd/Baxter Implement Rd near Cherryville, North Carolina, June 11, 2017 due to being frightened by neighbor shooting guns. Neutered male, tricolor of black, tan and white. He is blind in one eye, very shy and has health issues. From abuse when he was a pup he is unable to wear a collar and has scars on his face. Not from the area so does not know his way around. My heart is broken and desperately want to find him, he has been with me for 10 years and trusts no one else. Please if anyone has any information call 704-477-4282 or 406-465-6820.
