

# Found Pet

?

**Breed:** Mixed Breed

**Gender:** Unknown

**Age:** Unknown

**Reward:** no

**Location:** Weaverville, 10 Timbersong Dr.

**Description:** short hair, mostly yellow tabby with white. Very vocal (but I have a male cat). He/she visited a few months ago during the middle of the night, but I couldn't get a picture. He's been back the last couple of days to torment my cat (territory issue, I think).
