

Found Pet

Breed: Boston Terrier

Gender: Male

Age: Adult

Reward:

Location: Asheville, Johnston Blvd and Cub Road

Description: Dog found in West Asheville along Johnston Blvd on 10/19. They're 25-30 pounds, mostly white with black spots and a black mask. No collar, no microchip. I scooped them up because I was worried they would get hit. Please DM me or email sidley@riseup.net if you are/know their human!
