

Lost Pet

Piper

Breed: Mixed Breed

Gender: Female

Age: Baby

Reward: no

Location: Cullowhee, 50 Idylwood Rd. Building 2, Unit 1

Description: She is a very small mutt, mix of a miniature dachshund and a rat terrier. She is very friendly but also skiddish. She is a rescue pup but loves to adventure outdoors so itâ€™s no surprise she ran! She is Harmless and sweet, very small, skinny, and lanky pup! Almost a Year old! She is my baby and if you find her please return her. It can be tempting to keep something so sweet and adorable but she is mine and we have a bond so please respect that.
