## Missing/Stolen Boxer Dogs

Male Boxer: Bruno  
27" at the shoulder, 85 lbs  
Wearing gray nylon collar, Microchipped

Female Boxer: Sadie  
22" at the shoulder, 65 lbs  
Wearing pink nylon collar

These two went missing on 4/24/2019 and are presumed stolen. Both dogs are friendly but are hyper as the young boxers are. They get along with all sort of livestock and cats. They are most likely together and have collars and tags. If you see or have info on either of our dogs, please call.
