**Breed:** Unknown

**Gender:** Unknown

**Age:** Unknown

**Location:** Arden, 30 Clayton Road

**Description:** This black cat showed up at my friend's house and has stayed on the porch since Friday May 24th. Located right off Clayton Road in Arden (beside Biltmore church and across from Ansley apartments). We think it's a girl, solid black, wearing a flea collar, very friendly. I am sure someone is missing this sweetie. Please contact me if this is your cat or if you know where she may live. Thank you!
