

Lost Pet

Petey

Breed: American Staffordshire Terrier

Gender: Male

Age: Teenager

Reward: yes

Location: Fairview , 401 Canonero Drive

Description: Petey is a sweet pit bull mix who is about 50 lbs, large head and chest and small rear end. He has a red collar with a tag on it. He responds to his name being called in a high voice and also to squeaky toys and dog treats crinkling and shaking in a bag. We are desperate to find him. He ran from a friend's house in Fairview but we live in West Asheville
