

Lost Pet

Yetti

Breed: Siamese

Gender: Male

Age: Adult

Reward:

Location: Weaverville, 11 Pickens Lane

Description: Yetti was last seen the morning of Wednesday July 31st. He is mid age (12-13 years old) large cat (13.5 lbs), with 6 toes and Siamese markings. He is very friendly and will approach if food is offered (click the lid of a can and he will come running). He is loved and missed by all. Likes to get into cars with windows open. May have been mistakenly driven to another part of town after jumping in a stranger's car (happened once 8 years ago). If you see him please contact Lauren at 352-301-0302 or Samuel at 850-380-9066
