

Found Pet

Breed: Mixed Breed

Gender: Female

Age: Elder

Reward:

Location: Fairview, Garden Creek Road

Description: Black and white dog with speckles on her nose. Medium size. Great shape. Appeared to be 7 - 10 years old. Extremely friendly. She was wearing a Serento Flea Collar. No Chip found.

She was running in middle of Road in a windy part of the road. She almost got hit by oncoming traffic. We stopped as the car that almost hit her kept driving. We took her to Fairview Animal Hospital, and the staff didn't recognize her or find a chip. She is now at the County's animal shelter under the name Philly.
