

Lost Pet

Naomi

Breed: Mixed Breed

Gender: Female

Age: Baby

Reward: yes

Location: Asheville, 298 Smoky Park Highway-DOT Facility

Description: Naomi does not have her heart shaped tag on her...she has a cream colored collar with pearls and a bell. She is Bluish Grey and very healthy. She has a microchip registered to Purr Partners as I adopted her from them. She was lost on Sunday, September 22, 2019 at DOT facility next to Burger king Parking Lot at 298 Smoky Park Highway & Old Haywood. She is very scary of alot of things especially loud noises and thunder. This picture shows her eyes dilated but her eyes are a bright yellow. OFFERING \$400.00 FOR HER RETURN. We are devastated and a 14 hour road trip felt like 28 hours without her. :(
