?

**Breed:** Boston Terrier

**Gender:** Female

**Age:** Adult

**Reward:**

**Location:** Bostic, Found at 298 summit parkway

**Description:** Very sweet little girl with some charmingly crooked front teeth  
Looks mainly Boston Terrier but maybe a mix. Black mantle and mask, white ears and socks. A little dirty and ribs showing a little bit but canâ€™t have been on her own for TOO long. Knows How to sit and eat treats pretty well. No collar but seems very much like someoneâ€™s baby!
