

Lost Pet

Frankilicious

Breed: Mixed Breed

Gender: Female

Age:

Reward: yes

Location: Bryson City, 2071 Balltown Road

Description: Frank is a small black female dog, she is very friendly. Though she looks like a long lab puppy, she is actually full grown. She has a microchip in her ear from when she was at brother wolf, where we adopted her from. She is very loved and we miss her terribly.
