Description: My cat yogurt has been missing for a few days and I really need help finding her. She is a 7 month old white siamese/Tabby and her parents miss her very much! She doesn't know her name too well yet but she may come to tongue clicking or higher pitched kitty calls. She is very shy so if you see her please don't chase after her! You can reach me at this number here: 347-616-4048. Thank you for all your help!
