

Lost Pet

Pilate

Breed: German Shepherd

Gender: Male

Age: Baby

Reward: no

Location: Asheville, 156 Moody Ave

Description: My dog got loose from his dog lot outside at approximately 9ish on 4/7/21. He has not been socialized very much due to covid. He is one. Half of his face his shaved due to a recent surgery. He has not been microchipped and does not have his tags on. He was last seen crossing Smokey park highway and in the field where the clock tower is. His name is Pilate and he is my baby!
