**Mia**

**Breed:** Russian Blue

**Gender:** Female

**Age:** Adult

**Reward:** yes

**Location:** Hendersonville/Etowah , Rocky Spur Lane

**Description:** A silvery-gray female Russian blue that is fixed. She is very friendly and was wearing a blue tie-dye snap-off collar when she was last seen which may now be gone. She was microchipped but the vet could not find it during her last appointment - I now regret not requesting a new one. This is probably a long shot but she is very missed!
