Description: LOST DOG!... Happy 4th! I had a sweet female brown dog bolt into my house this evening. She is scared out of her wits. Brown, tan, black, breed uncertain, similar to Pitbull but not. She has a fluorescent orange collar on, no ID. She is in a room with water and food, my cats are pissed, meow

Please if you recognize this dog or know where it belongs, please get in touch. Halfway up Robinson Cove road...
