Gender: Unknown

Age: Adult

Location: Mill Spring, Sunny View Community , 429 Bill Jackson Rd Mill Spring NC

Description: Friendly, but a tad skittish. Very vocal adult black & white cat. Black & White colors, favors a Tuxedo cat as it has white "triangle" on face. I believe its a male, but not 100% sure. I feel like he's lost & isn't sure which way his home is. Found Bill Jackson Rd in Mill Spring NC - Sunnyview Community.
